

Pre-School Home Learning Grid: Summer Term

Shadow Challenge

Use blocks/objects from your house to make shapes you can draw around. How does the shadow change if you rotate the block? Is the shadow different at different times of day?

Phonics

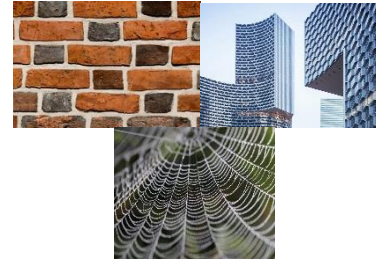

abcdefghijklmnopqrstuvwxyz

Can you recite our Alphabet Chant using either the letter names or sounds?

What phonemes can you hear at the start of everyday words? (e.g. "What phoneme do you hear at the start of umbrella?"/u//)

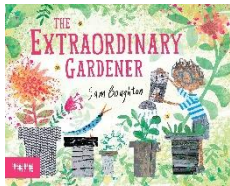

Maths – Patterns

What patterns can you spot in your environment? Can you spot any patterns on your walk to school?

Life Cycle of a Plant

Gather some seeds, pots, soil and tools and plant a few seeds to watch how they grow over the summer term. What do plants need to grow? What changes can you see over time?

Start creating your very own urban garden like the extraordinary gardener!

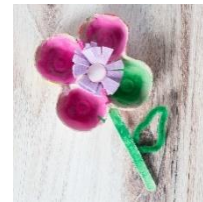

Tales Toolkit

Character Setting Solution Problem
This term we will be consolidating how to imagine, create and re-tell a story. Can you use our Tales Toolkit recipe to create a story with a character, setting, problem and solution.

Can you post a video on Tapestry telling a story you have created or re-telling a favourite tale?

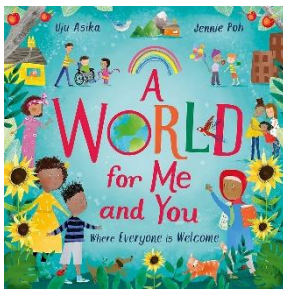

Junk Modelling

Create flowers using your recycled egg boxes.

Egg Carton Flowers - The Imagination Tree

Mark Making

Can you draw something from the world around us? Maybe a sunflower, rainbow, Earth or a bee?

What colours can you use?
What shapes can you see?

Visit our local Library or Art Gallery

This term we will be learning about our local area. Can you visit your local library? Or art gallery?

How did you travel there?
What exciting things did you see?

Post a photo/video on Tapestry of your visit to your local area and tell us all about it during our talking time.

National Trust Visit

The children have been working with local community artists to create blossom inspired artwork. The four pieces will be joined together to create one larger artwork that will tour around local National Trust sights in May. The touring artwork will be on display at Lyme Park (10–11 May), Castlefield Viaduct (17–18 May) and Dunham Massey (24–25 May).

Please use your pink card to get free entry for your child and two adults!

These are suggested activities to help your child consolidate the learning done in school, use this as an opportunity for your child to show you some of the things they have learnt to do. Please complete the activities over the next half term and share your home learning via your child's Tapestry learning portal. If you would like any additional resources or support with the activities, please contact a member of staff.
