

## Summer Term Nature Activities

We would love for you to get out and about and enjoy the nature that we have around us. So, below are some nature activities and ideas for you to have a go at during our Summer Term. These activities are all free/cheap and simple for you to join in with at home. How many can you complete? Can you tick them all off?

Please share any completed activities via your child's Tapestry learning portal.

Make chalk paint	Make a den	Create a nature noughts and crosses game	Go for a walk	Make a Stickman
Splash in a puddle	Make a potion	Create a bark rubbing	Build a bug house	Go bird watching
Make binoculars	Climb a tree (safely!)	Have a picnic	Go on a Spring/Summer nature hunt	Watch the sunset
Go to the park	Do some gardening	Make a bird feeder	Find and identify 5 different types of flower	Make a butterfly out of natural item
Paint a picture outside (if you can't use paint, use water!)	Make a nature rainbow	Make a face out of nature	Blow bubbles	Make an obstacle course
Do a litter pick	Do a science experiment	Identify 5 different types of tree	Find shapes in the clouds	Play nature 'I Spy'
Make a mud pic				

Some blank spaces for you to write any other activities you have completed
