

Reception Induction Session 2025

For everyone regardless of background or circumstance to be inspired, to thrive in all environments, to recognise what it takes to succeed, to set aspirational goals and work hard to achieve them.

Education on another level, where possibilities are endless

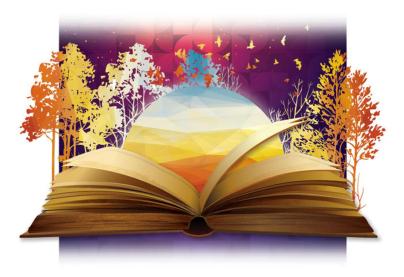

Safe and Happy Children

The most important thing to us is that children arrive at school happy and remain happy throughout the day.

A safe and happy environment is conducive to successful learning.

Curiosity

Gratitude

Integrity

School Rules

We are respectful

Everybody is valued and respected

We do our best

Everybody takes pride in all that they do

We make good choices

Everybody reflects on their behaviour and learns how to make good choices

Coming to School ...

- **8.45am** School Opens drop-off through Early Years Gate
- 8.50am Gate closes. Anyone who is late to use the Front Office
- **3.15pm** Home Time pick-up through Early Years Gate
- There is no parking on our school site
- Parking bays along Great Jackson Street Permits available (speak to Front Office/email Admin)
- Children encouraged to use bikes and/or scooters can be stored at school

Attendance & Punctuality

Establishing good habits of attendance and punctuality helps to ensure your child makes the best start at school.

We ask that parent/carers:

- promote the importance of good attendance and punctuality
- ensure their child arrives at school on time each day
- notify the school <u>each day</u> their child is unable to attend and provide a reason
- arrange medical appointments, where possible, for out of school hours and provide evidence for all medical appointments
- do not take their children on holiday in term time

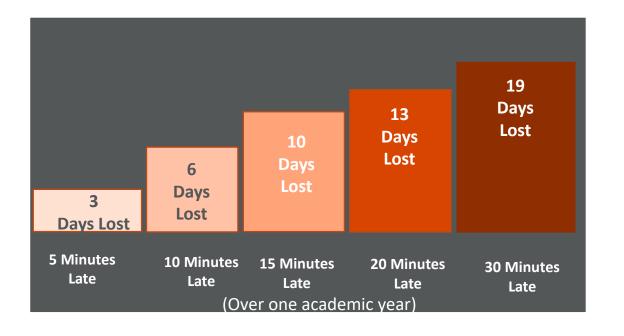

Attendance & Punctuality

Establishing good habits of attendance and punctuality helps to ensure your child makes the best start at school.

Every minute counts

If you arrive late to school every day, learning begins to suffer. This chart shows how being late to school everyday over a year adds up to lost learning time.

Funding

Tax-Free Childcare

For working families, including the self-employed, in the UK with children aged 0-11 (or 0-16 if disabled).

Funding – Free School Meals

Benefits and support

Free School Meals

All children in Reception, Year 1 and Year 2 can get free school meals whatever your income. But if you have one of the qualifying incomes it will help the school if you tell them this, so they can get extra funding.

Who is eligible?

Your child may qualify for free school meals if you get any of the following:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- the guaranteed part of Pension Credit
- Child Tax Credit (as long as your annual gross income is £16,190 or less and you don't get Working Tax Credit)
- Working Tax Credit run-off after you come off Working Tax Credit
- Universal Credit that you applied for on, or after, 1 April 2018. As long as your household income is less than £7,400 a year after tax, not including any benefits

English is an Additional Language (EAL)

Is your child exposed to another language at home?

"Where a pupil's first language is not English – that is: where the pupil has been exposed to a language other than English during early development and continues to be exposed to this language in the home or in the community" (Department for Education)

Important for us to ask and identify if any of our children have English as an Additional Language

Lunches

- Your child will be entitled to a universal free school meal so there will be no charge.
- You need to order your child's lunch via the School Grid App, where you can choose from a choice of meals.
- You may wish to provide a healthy packed lunch. We are allergy aware and do not allow nuts of any form in school.

Medication

- Please inform us of any medical conditions and/or allergies
 - On both MCAS and School Grid
 - The correct (and prescribed) medicine/s to be kept in school
- We can only give medicine prescribed by your child's doctor
- Please hand any medication in at the School Office and fill in an authorisation form so that we can administer the prescribed dose
- We are an allergy aware school
 - No nuts

Parent Council

- Constructive forum for sharing feedback
- What's gone well and suggestions for what could be even better in the future
 - Aim to meet each term

Each class has a one representative

Please speak to your Class Teacher in September if you would like to represent your class.

The importance of play has been underlined through a great deal of research which has shown play's positive contribution to children's physical and mental health; imagination and creativity; self-confidence and sense of self-worth; social skills and their ability to better understand and engage with the world around them.

As parents, when we provide access to different play opportunities, we are actively supporting this growth and development.

Toddlers/children will likely play with a wide variety of resources and toys and they often love pretend play and being creative. Playful activities could include:

- Dress up fill an old suitcase with old grown-up clothes such as hats, bags, beads, sunglasses, rucksacks, shoes.
- Using household resources pots and pans, old mobile phones, pegs, bowls, torches, kitchen utensils.
- Creative materials paints, crayons, chalks, scissors, magazines.
- Books, games and puzzles reading stories/ looking at books, snap, singing games, clapping games, matching games.
- Sing songs and rhymes anytime and anywhere, even better if there are actions to join in with!

You can even encourage play within everyday routines – play whilst tidying up, washing the dishes, doing the laundry or whilst doing the shopping!

Every child will play in different ways and this changes throughout their childhood.

Children play anywhere and everywhere and playing with your child provides a great opportunity to strengthen your bond. Think about what your child enjoys, give them choice and freedom and of course, join in!

Children also gain enormous benefit from unstructured play – play opportunities which aren't planned or expected. By engaging in simple, unstructured play activities such as singing rhymes and telling stories, you are helping to expand language skills, emotional regulation, and social skills. Such unstructured play also helps to nurture children's imaginations, building their sense of adventure and helping to develop their creativity.

Children's Right to Play!

Every child has the right to play.
This is recognised throughout the world in the United Nation's Convention on the Rights of the Child (UNCRC). So as parents

and carers, it's important to make sure that your child has the space, time and company of others to play. Playing is your child's right wherever they are – at home, in childcare and at school.

Top Tips for parents

UNICEF RIGHTS OF THE CHILD

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Article 3

The best interests of the child must be a top priority in all decisions and actions that affect children.

If you have any concerns about your child's listening and talking skills, please talk to your health visitor, your child's nursery, school or your local sure start children's centre.

Acknowledgements

We would like to thank all of the people who helped us produce the Time To Talk booklet without their support and guidance it wouldn't have been possible.
